

71 EXT. CASINO - DAY

71

Dahlia is waiting in front of the entrance as Mike's Lexus pulls up with Ashley. She begins to walk to the car as Ronnie, her boy-toy from earlier steps outside.

RONNIE

Dahlia, What's up, you haven't been answering my calls?

Dahlia panics, cutting him off.

DAHLIA

You gotta go.

RONNIE

What?

Dahlia can feel Mike eyeballing her from inside the car.

MIKE

Dahlia who's this?

RONNIE

I'm Ronnie..and you are?

Dahlia panics, cutting him off.

DAHLIA

We're trading shifts at work.

MIKE

Who the fuck are you Ronnie?

RONNIE

I'm her boyfriend.

Mike looks over at Ashley in the back seat. He decides to exercise some restraint. He pulls the ball out and squeezes. *

MIKE

(muttering)

You're a dead man.

Dahlia hops in the car as Mike speeds off.
